Subject: Suggestion on sharing CL schedule to not duplicate efforts
Date: Wednesday, September 13, 2017 4:39:46 PM

Janetta,

In the CL's team 4 pm call they had amongst themselves, no one knew where the updated list of CL assignments can be found. May I suggest that with this current changing and dynamic environment of CLs covering different counties as needs change. That we have an updated list uploaded or emailed to everyone in the group daily (preferable in the evening). This will keep the CLs from running into each other while out in the field and NOT duplicate CL efforts.

Sincerely,
